OUR STORY & MISSION

"A place where Sprouts can DREAM big!! "

Sprout Academy of Learning is a story of friendship and love!! Ramona and Tina had the opportunity to buy this location in June of 2019, and they jumped on it. After having worked many years in the child care business and loving every minute, it was clear that Sprout Academy was meant to grow under their leadership.

Tina and Ramona both have families of their own that have benefited from early childhood care. Knowing that they can bring that comfort and stability to other families in their hometown, made this a dream come true for both of them.

OUR MISSION:

Sprout Academy of Learning's mission is to provide an exceptional care experience for children, families and staff. All while being supportive of individual choices, passionate about learning, respectful of differences in others, outstanding in our growth, unique in our experiences and trustworthy in our community. We lend this foundation to the success of future years in education.

BENEFITS OF ATTENDING OUR SCHOOL

Sprout is a school not just child care All of our lead teachers have the Florida Child Care Professional Credential.

Sprout has partnered with Mama Bear & other companies to supply a healthy option for diapers, wipes, creams, sunscreen, bug spray, etc.

Healthy home cooked meals included for breakfast, lunch and afternoon snack.

Safety is number one priority. We provide a secure door entry system, and our building is cleaned and sanitized daily.

Sprout Academy helps children become not only confident learners, but also confident friends.

Electronic Daily Reports through easy to use child care software.

Outdoor classroom program which allows for smaller classroom sizes and more one on one teaching.

On site owners, and directors, who are local moms, to answer your daily questions and offer assistance.

Trusted direct communication, via child care software, with the teachers who care for your student.

Sprout prides itself with low staff turnover. Staff are dedicated to helping grow confident future leaders.

WHAT OUR TEACHERS LOVE ABOUT WORKING FOR US

To me, working at Sprout has been more than a job; Sprout has been family. My colleagues and bosses have celebrated with me mine and my children's accomplishments, and they've been supportive through our tribulations. Our team works together in being flexible to allow one another time needed for doctor's appointments, family emergencies, and celebrations. We can't imagine our lives without our Sprout family! - Jessica C.

ALL ABOUT OUR CULTURE and CORE VALUES

Sprout Academy is supportive of individual choices, growth and successes in life and in the ECE field. We strive to help children become not only confident learners, but also confident friends.

At Sprout Academy we are passionate about learning. We strive to learn through play and fun. We are always open to new strategies and avenues to use in our classroom and center.

WHAT OUR FAMILIES LOVE ABOUT US

IMy one year old LOVES SPROUT!!!!!! She is excited to “go to school” everyday. All of the teachers are extremely loving and kind. They truly care about each and every kid and give them all the attention in the world. Always keeping us updated on what’s going ok throughout the day. We were extremely nervous taking her to daycare due to all of the horror stories you hear. The first week was absolutely amazing and I’m SO PLEASED it’s been the exact same since! I never see any kids angry/upset/crying when they arrive in the mornings during drop off and in the afternoons they are excited to tell their parents about their day! SO GLAD I FOUND A PRESCHOOL I FULLY TRUST WITH MY CHILD! 1000/10 would highly recommend.

Rachel C.

You guys truly make a huge impact in helping us raise bright, respectful, prepared, and happy little kids. What you do is for us, our kids is beyond measure. Proper childhood development is so pivotal. Shortcomings in these tender years can have ramifications throughout their lives (paget's theory). Thank you for creating sprouts, your perfectly picked staff and countless hours planning and preparing- always giving.
